

A photograph of a brick walkway with arches, benches, and a memorial plaque. The walkway is made of dark red bricks and is bordered by a black metal railing on the left. On the left wall, there is a black plaque with the words "IN MEMORIUM" at the top and several small, rectangular plaques below. The walkway leads to a white door at the end, with a set of steps leading up to it. There are two white wooden benches on the walkway. The background shows a red brick building with arched windows.
