

Join us on Sundays at 11:00 AM  
for our Winter sermon series.

Community... curiosities explored... bold action... and a most unpredictable Jesus. These are only a few of the gifts our faith waits to give us. *Gifts That Keep On Giving* is our winter sermon theme. We'll explore Matthew's gospel most of the winter, watching for some of the gifts our faith could offer us -- if we're active enough to accept.
