

# **WEDNESDAY MORNING BIBLE STUDY**

## **11:00 AM AT THE VILLAGE**

This unit is entitled "Object Lessons" and is focused on Jesus' teaching methods. He had a deep knowledge of Hebrew scriptures and personal experience of everyday life in first-century Judea. Relying on that knowledge and experience, he equipped, formed, and connected people to the work God was doing. His teaching and stories turned some of his listeners into followers and some of his followers into people who were willing to risk their lives for the sake of what he taught.
